

Fiber Optics Certification Course

Be a part of the emerging 5G revolution

About The Course

Fiber optics is the backbone of the 5G revolution. The fiber optics market is expected to reach \$605.5 million by 2030 with 8.6% growth rate. The industry shows no signs of slowing down in the near future, opening doors to new career opportunities. Our fiber optics certification course is designed to train and prepare aspiring candidates to lead the fibre market and to make a progressive career in fiber optics.

Enormous Benefits of Getting Fiber Optics Certification

Diverse Career Opportunities:

The usage of fiber optics technology is vast with immense career opportunities.

Be Recognized:

Get an industry recognized certification and be in demand with specialized fiber optics skills.

A Growth-Filled Career:

Career in fiber optics ensures fast growth and amazing career opportunities.

Headstart Your Career With Our Unique Course Features

Course Highlights

100% Placement
Assistance

Placement Opportunity
In India & Abroad

Guest Lectures
From Industry Experts

Attend Live Workshops &
Practical Classes

NSDC Accredited
Lab Facility

NSDC Certification
On Course Completion

Free English &
Soft Skills Training

What You'll Learn

Course Modules

- Fundamentals of electricity and basic electronics
- Data Communication fundamentals
- Communication Networks
- Computer Fundamentals
- Networking
- Fiber Optics Technology
- Fiber specification and fiber optic standards
- Fiber optics communications
- Cabling standards, system components, cabling tools
- Fiber optic tools and Fiber optic test equipment
- Fiber optic terminations and Essential of splicing
- Practical Sessions

Who Can Take The Course

Qualification: 10+2 / Diploma/ ITI in Electrical & Electronics

Why Choose **JobsAcademy**?

Lifetime Career Assistance:

We offer you lifetime career guidance and placement assistance.

Placement Opportunity In India & Abroad:

We are connected with one of the top consultancy organization and 750+ Placement Partners.

Attend Live Workshops & Practical Classes:

You get mentored and training from industry experts and experienced guest lecturers.

NSDC Accredited Lab Facility:

Our courses also comes with free softskill and English language training sessions.

Free English & Soft Skills Training:

Our course modules and lab facilities are NSDC certified. You get NSDC certification on course completion.

About **JobsAcademy?**

JobsAcademy brings forth a plethora of flexible learning opportunities through in-demand courses. The course modules are equipped with live industry projects, digitally transformed curriculum, hands-on projects & case studies that ensure long term career success. The learners are supported with lifelong career guidance and placement assistance.
