

OET: (Occupational English Test) Preparation Course

Acing the OET: Techniques and Strategies for Success.

About **Occupational English Test (OET)**

The Occupational English Test (OET) is a globally recognized English language proficiency test for healthcare professionals. The test is specifically designed for those seeking to work in an English-speaking healthcare environment and assesses the language skills required in a clinical setting. It is recognized by various medical boards and councils, including the Australian Health Practitioner Regulation Agency (AHPRA), the Nursing and Midwifery Board of Ireland (NMBI), and the Dubai Health Authority (DHA), among others. The test is designed to assess the language skills that healthcare professionals need to communicate effectively with patients, colleagues, and other healthcare professionals.

OET is accepted by **regulatory authorities and health departments** in:

Australia

Zealand

UK

Ireland

Dubai

Namibia

Singapore

among others.

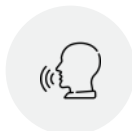

OET assesses all **four language skills**:

Reading

Writing

Speaking

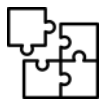

Listening
